Re: FOIA Request No. F-00300-17  
Supplemental Response

Dear Ms. Busen:

Enclosed with this letter is the United States Agency for International Development's (USAID) production of responsive documents to your client, Campaign for Accountability's, Freedom of Information Act (FOIA) request.

On September 27, 2017, Campaign for Accountability requested copies of:

1. **All communications, meeting notices, meeting agendas, informational materials, draft legislation, talking points, or other documents received by representatives of USAID from, sent by representatives of USAID to, or exchanged between representatives of USAID and representatives of the Susan B. Anthony List, Concerned Women for America, the Heritage Foundation, and/or the Center for Family and Human Rights ("C-Fam") regarding the January 23 Presidential memorandum re-instating the Mexico City Policy, or the Department of State's May 15 "Protecting Life in Global health Assistance" plan implementing the policy.**
2. **All calendar entries reflecting meetings between representatives of USAID and representatives of the Susan B. Anthony List, Concerned Women for America, the Heritage Foundation, and/or C-Fam regarding the January 23 Presidential memorandum re-instating the Mexico City Policy, or the Department of State's May 15 "Protecting Life in Global health Assistance" plan implementing the policy.**
3. **All communications, meeting notices, meeting agendas, informational materials, draft legislation, talking points, or other documents received by representatives of USAID from, sent by representatives of USAID to, or exchanged between representatives of USAID and representatives of the Department of State, the Department of Health and Human Services, and/or the Trump White House regarding the January 23 Presidential memorandum re-instating the Mexico City Policy, or the Department of State's May 15 "Protecting Life in Global health Assistance" plan implementing the policy.**

4. All calendar entries reflecting meetings between representatives of USAID and representatives of the Department of State, the Department of Health and Human Services, and/or the Trump White House regarding the January 23 Presidential memorandum re-instating the Mexico City Policy, or the Department of State's May 15 "Protecting Life in Global health Assistance" plan implementing the policy.

The timeframe for the request was from January 20, 2017, to the date the search was conducted.

The Department of Health and Human Services (HHS) referred 225 pages of documents that they believed were responsive to your request and contained USAID equities. After careful review, it has been determined that four (4) pages are being withheld in full pursuant to Title 5 U.S.C. § 552 (b)(5). Additionally, it was determined that 23 pages had already been processed in previous releases and 189 pages are outside the scope of the request.

The remaining nine (9) pages contained information that originated with the United States Department of State (DoS) or warranted further review by HHS. Therefore, we have forwarded three (3) pages to DoS and six (6) pages back to HHS for further review and direct reply to you.

If you have any questions about this FOIA request, please contact Assistant United States Attorney Marina Braswell at [Marina.Braswell@usdoj.gov](mailto:Marina.Braswell@usdoj.gov) or at 202-252-2561.

Sincerely,
